

2020-21 E-Rate Eligibility Criteria

<u>Service</u>	<u>Location</u>	<u>Estimated Funding Discount</u>
Telecommunication Services	District-wide	60%

In order to meet the conditions of the E-Rate program, it was necessary for the District to select vendors and issue letters of intent or receive vendor agreements to procure certain products or services subject to the contingencies identified above. Approval by the Board of Education for the following is requested.

- a) Selection of E-Rate Vendors: In order to qualify for E-Rate funding the District conducted a competitive quotation process. District staff has reviewed the various proposals and made the following selections:

Telecommunication Services / All NMUSD Sites and to OCDE – Crown Castle Fiber/
Sunesys

Telecommunication Services / Second Circuit to OCDE – Charter Communications/
Spectrum Enterprise
