ESTANCIA HS	Orange County Sanitation - 10844 Ellis Ave. Fountain Valley, CA	<p>LAST MINUTE INVITE. The AP Environmental Science class will be touring the Orange County Sanitation District and the Orange County Water District. This trip is an opportunity for students to see the benefits and drawbacks of our current water and waste management systems in a way that is not possible in the classroom. The tours show students how sewage is collected, screened, settled, and treated by both physical and biological methods to an end product that is safe for humans and the environment. All of the water that is reclaimed is purified and recycled back into drinking water, which is injected into our local aquifer. Students get to see all of these processes in action, first-hand. It's an interesting and unforgettable experience.</p> <p>These tours will address AP Environmental Science standards STB-3.N "Describe best practices in sewage treatment management", EIN 3.C "Identify sources of human health issues that are linked to pollution", and ERT 4.F "Describe the characteristics of a watershed"</p>	01/09/2020 01/09/2020	0	26 : 2

TEWINKLE INTERMEDIATE	Knott's Berry Farm - 8039 Beach Blvd. Buena Park, CA 90620	This annual trip to Knott's Berry Farm is an after school scholarship trip. AVID students, parents, tutors and teachers from Riverside, Orange, Imperial and San Diego counties come together at this event. Knott's is open exclusively to the AVID Program and money made goes towards COLLEGE SCHOLARSHIPS for graduating AVID seniors. AVID Program Implementation Standards 1. AVID student selection must focus on students in the middle, with academic potential, who would benefit from AVID support to improve their academic record and begin college preparation. 2. The school must be committed to full implementation of the AVID Program, with students enrolled in the AVID year-long elective class(es) available within the regular academic school day. .	03/06/2020 03/06/2020	0	115 : 8
