SUBJECT: Williams Settlement Legislation 4th Quarter Report

I am pleased to provide the fourth quarter Williams Settlement Legislation report for the 2019-20 fiscal year. This report represents activity conducted by the Orange County Department of Education (OCDE) during April, May, and June 2020. California Education Code section 1240(2)(H) requires this report to be provided to your Board at a regularly scheduled meeting held in accordance with public notification requirements.

FOURTH QUARTER REPORT

Uniform Complaint Procedures (UCP)

- OCDE requested data regarding uniform complaints related to textbooks and instructional materials, facility conditions, and teacher vacancies or misassignments received during the third quarter.
- No complaints were filed in your district during the period of January through March 2020.

Teacher Assignment Monitoring

- The California Commission on Teacher Credentialing reported that Assignment Monitoring for the 2019-20 school year has been delayed in light of the COVID-19 pandemic. Instead of the proposed June 1, 2020 start date, monitoring of 2019-20 educator assignments will now begin in mid-September of 2020.

Upcoming Quarter

- Instructional materials reviews
- School facilities reviews
- Uniform Complaint Procedure reporting
- Teacher Assignment Monitoring

Planning for the 2020-21 Williams Settlement Legislation reviews has begun. OCDE has requested required documentation from districts regarding instructional materials.

If you have any questions regarding this report, please contact me at (714) 966-4385 or nsavio@ocde.us.

On behalf of Dr. Al Mijares, County Superintendent of Schools, thank you for your diligent efforts to address the Williams Settlement Legislation requirements.
