2. Description of capital improvement project or fixed asset purchase ("Project") as requested by the site principal and approved by the Superintendent:

Track Equipment (*\$7,601.88)**

Description: The track equipment will help develop and maintain a high quality program at TeWinkle Middle School. TeWinkle Middle School feeds into Estancia which will help our high school track program. The equipment will help develop and teach the players high jump techniques and shot put techniques. The batons will help develop our relay teams at TeWinkle Middle School.

Amount Requested: \$7,601.88
(Completed by District)

Amount Granted: \$7,601.88
(Completed by City)

3. Public use and benefit of Project as validated by Costa Mesa United :

The public will also benefit with this track equipment. Camps will be held at TeWinkle Middle School to help develop young athletes into track athletes. The more we can get the middle to upper elementary interested in track and field will help our high school programs as they get older. After school programs at TeWinkle Middle School will also have access to the equipment if they deem it is useful for their after school programs.

4. Upon validation by Costa Mesa United that the project is of public benefit, and in consideration of the grant which shall be made, or caused to be made, by the City upon its approval of this Grant Application and Agreement, and the promises herein contained, the following understandings shall be binding:

5. Grantee represents that all information provided by it in this Grant Application and Agreement is true and accurate.

6. It is understood that this Agreement for sports facility improvements is subject to mutual approval by the District and the City on the dollar amount of the Grant. Thereafter, City shall fully fund Grant within 30 days of the mutual approval of this Grant Application and Agreement. District shall use all of the granted funds only for the Project. District shall use all of the granted funds only for the Project. Furthermore, the funding will be donated to the District, allocated to school budgets and expended in accordance with all rules and regulations regarding school district purchasing and the construction of facilities. All parties are in agreement that no work may be contracted through the City or any third party separately for any project on a school district site.

7. District shall provide for the public use and benefit as described herein.

8. The public use and benefit shall be administered through the Joint Use Agreement currently existing between the City and Grantee.

9. Grantee shall make all records relating to the Project and its public use and benefit available to the City for reasonable inspection and review for compliance with this Grant Application and Agreement.

10. This Grant Application and Agreement is non-transferrable.

11. This Agreement constitutes the entire agreement between the parties with respect to the grant provided for herein and supersedes any and all other prior writings and oral negotiations. City of Costa Mesa, Newport-Mesa Unified School District and
Costa Mesa United Grant Application
and Agreement for Sports Facility Improvements

This Grant Application and Agreement is entered into by and between the City of Costa Mesa, a California municipal corporation, {"City"} and Newport-Mesa Unified School District, a public school district {"Grantee" or "District"}, with participation by Costa Mesa United, a non- profit organization.

1. This Grant Application and Agreement will be controlled by and pertains only to those facilities identified in the current Joint Use Agreement between the City of Costa Mesa and the Newport-Mesa Unified School District, for facilities located at Estancia High School.

1. Description of capital improvement project or fixed asset purchase {"Project"} as requested by the site principal and approved by the Superintendent:
14 Basketball rims with nets and installation and assembly of two-5 row aluminum bleachers 21'
2. Description: Install 14 backboards and nets on black top as well as place two bleachers for the girls' softball field.

Amount Requested: \$11,689.68
(Completed by District)

Amount Granted:\$
(Completed by City)

3. Public use and benefit of Project as validated by Costa Mesa United :
The public use and benefit will comprise of updated and properly installed basketball rims and nets for safe basketball play. The equipment will be outdoors so all stake holders in the community will have access to the basketball courts (citizens, PE students, athletes, etc.). The two proposed bleachers will be placed in the girls' softball area but be accessible so they can be used by other field sports (i.e. baseball, soccer, lower level football, community runs, etc.) when not in use by girls' athletics. This will also allow multiple user groups the opportunity to utilize these areas on the field for extra spectator related purposes. This will include any and all organized leagues that utilize the facility and recreational users, if applicable.
4. Upon validation by Costa Mesa United that the project is of public benefit, and in consideration of the grant which shall be made, or caused to be made, by the City upon its approval of this Grant Application and Agreement, and the promises herein contained, the following understandings shall be binding:
5. Grantee represents that all information provided by it in this Grant Application and Agreement is true and accurate.
6. It is understood that this Agreement for sports facility improvements is subject to mutual approval by the District and the City on the dollar amount of the Grant. Thereafter, City shall fully fund Grant within 30 days of the mutual approval of this Grant Application and

Agreement. District shall use all of the granted funds only for the Project. District shall use all of the granted funds only for the Project.
