Information Technology Maintenance and Support Software Register (Renewals) 07-13-2021

School or Department and Budget	Software or Service / Vendor	Main Purpose	Background	Not to Exceed	Renewal Term
Information Technology General Fund	Barracuda Networks Spam Firewall Model 400 / Synegi	Email Filtering	The Barracuda Networks Spam Firewall Model 400 provides online spam filtering which is a necessity for any organization that utilizes email communications; approximately 94 percent of all messages sent to district email servers are spam. The price has increased 27% from the previous fiscal year.	$3,960	August 25, 2021 - August 24, 2022
Information Technology General Fund	Power Admin / Power Admin	Software maintenance and support	Power Admin is a software application that continuously monitors the district's servers and switches to determine if they are accessible, the status of several performance indicators (disk space, room temperature, CPU utilization, etc.) and checks that critical processes are running. It notifies appropriate staff by email when problems are detected so they can be resolved as quickly as possible. There is a 6.08% price decrease from the previous three year renewalterm since this product will be renewed for three years instead of one year.	$1,591	August 20, 2021 - August 20, 2024 (3 Year Term)
Information Technology General Fund	Teamviewer	End User Support	Teamviewer is a remote connectivity cloud platform, enabling Information Technology to securely access, support, and control any computer, mobile device. Financial impact remains unchanged from previous fiscal year.	$2,030	July 1, 2021 - June 30, 2022
Information Technology General Fund	Varitek, Inc.	Scanner Equipment	The district has five production scanners being utilized for large volume document imaging. If a scanner should fail, Varitek Incorporated will diagnose and repair the affected scanner within a six hour response time, Monday-Friday, to minimize the equipment downtime. The price has increased 20% from the previous fiscal year.	$4,680	September 1, 2021 - August 31, 2022
Special Ed General Fund	SNAP / PNSI	Student Health Software	Health Services has used an electronic student health record since 2010 when the Board of Education approved the purchase of SNAP Health Center Software. This created an electronic student health record. The SNAP Health Center Software program meets the confidential needs of the school health office and allows for the transfer of specific student information with Aeries. Student data is protected and remains under the control of the district. Financial impact remains unchanged from previous fiscal year.	$10,584	September 1, 2021 - August 31, 2022
Transportation General Fund	Service Advisor / Western Power Products Inc.	Engine Diagnostic Software	Service Advisor is a web-based John Deere engine diagnostics application which includes owner and technical manuals, diagnostic trouble code (DTC) search, diagnostic connectivity with 9 pin EDL (engine diagnostic link) and performs machine calibrations that require EDL. Financial impact remains unchanged from previous fiscal year.	$2,650	July 1, 2021 - June 30,2022
