Pursuant to Nevada Revised Statute (NRS) 277.100, NRS 277.110, NRS 333.162(1)(d), and NRS 333.480 the Chief of the Purchasing Division of Nevada is authorized to enter into cooperative group-contracting consortium.

The Western States Contracting Alliance is a cooperative group-contracting consortium for state government departments, institutions, agencies and political subdivisions (i.e., colleges, school districts, counties, cities, etc.) for the states of Alaska, Arizona, California, Colorado, Hawai'i, Idaho, Minnesota, Montana, Nevada, New Mexico, Oregon, South Dakota, Utah, Washington and Wyoming.

In consideration of the above premises, the parties mutually agree as follows:

1. REQUIRED APPROVAL. This contract shall not become effective until and unless approved by the Western States Contracting Alliance Directors.

2. DEFINITIONS. "WSCA" means the Western States Contracting Alliance. "State" and/or "Lead State" means the State of Nevada and its state agencies, officers, employees and immune contractors as defined in NRS 41.0307. "Participating State(s)" means state(s) that have signed (and not revoked) an Intent to Contract at the time of the award of this contract, or who have executed a Participating Addendum. "Buyer" means any WSCA agency or political subdivision participating under this contract. "Contractor" and/or Contracting Agency" means a person or entity that performs services and/or provides goods for WSCA under the terms and conditions set forth in this contract. "Solicitation" means RFP #1907

Effective 04/07

incorporated herein as Attachment AA. "Fiscal Year" is defined as the period beginning July 1 and ending June 30 of the following year. "Total Wireless Spend" means with respect to the WSCA Administration Fee, the total amount of the charges set forth on the invoices sent by Contractor to Participating Entities under the Contract, less taxes and surcharges. "CL Account" means accounts set up by a participating entity for use by the entity. "IL Account" means Individual Liabile Accounts which are validated accounts in any employee program set up by a participating entity.

3. CONTRACT TERM. This contract shall be effective from WSCA Directors' approval to October 31, 2016, unless sooner terminated by either party as specified in paragraph (21). Contract may be extended for an additional two (2) years beyond the initial contract term at the discretion of the lead State or as determined in the best interest of the lead State and WSCA, subject to mutual written acceptance.

4. CANCELLATION OF CONTRACT; NOTICE. Unless otherwise stated in the special terms and conditions, any contract entered into as a result of the Solicitation may be canceled by either party upon written notice sixty (60) days prior to the effective date of the cancellation. Further, any Participating State may cancel its participation upon thirty (30) days written notice, unless otherwise limited or stated in the special terms and conditions of the Solicitation. Cancellation may be in whole or in part. Any cancellation under this provision shall not effect the rights and obligations attending orders outstanding at the time of cancellation, including any right of any Participating State to indemnification by the Contractor, rights of payment for goods/services delivered and accepted, and rights attending any warranty or default in performance in association with any order. Cancellation of the contract due to Contractor default may be immediate.

5. INCORPORATED DOCUMENTS. The parties agree that the scope of work shall be specifically described; this contract incorporates the following attachments in descending order of constructive precedence:

ATTACHMENT AA: SOLICITATION #1907 (Scope of Work) and ATTACHMENTS (list attachments);

ATTACHMENT BB: CONTRACTOR'S RESPONSE

ATTACHMENT CC: CONTRACTOR'S SPECIAL TERMS AND CONDITIONS

A Contractor's attachment shall not contradict or supersede any WSCA specifications, terms or conditions without written evidence of mutual assent to such change appearing in this contract.

7. ASSENT. The parties agree that the terms and conditions listed on incorporated attachments of this contract are also specifically a part of this contract and are limited only by their respective order of precedence and any limitations specified.

8. PARTICIPATING ADDENDA. To participate in this Contract, a WSCA Member State (including the Lead State) or any Participating Entity authorized to participate in this contract, shall enter into a Participating Addendum with the Contractor. The Participating Addendum shall not exceed the scope or term of this contract. In case of conflict between the terms of the Participating Addendum and this contract, the Participating Addendum shall take precedence as to all purchases made under that Participating Addendum.

9. Intentionally omitted.

10. Intentionally omitted.

11. CONSIDERATION. The parties agree that Contractor will provide the services specified in paragraph (5) at the cost as is more fully set forth in Contractor's Response (Attachment BB). Unless otherwise stated in the special terms and conditions, for the purpose of award, offers made in accordance with the Solicitation must be good and firm for a period of ninety (90) days from the date of bid opening. Contracted prices represent ceiling prices for the supplies and services offered. If T-Mobile offers new products and services or the services change, T-Mobile reserves the right to set prices for those new products and services. The Contractor shall report to the Lead State any price reduction or discount, or other more favorable terms offered to any Purchasing Entity and the Contractor agrees to negotiate in good faith to re-establish ceiling prices or other more favorable terms and conditions applicable to future orders. Bid prices must remain firm for the full term of the contract. In the case of error in the extension of prices in the bid, the unit prices will govern. WSCA does not guarantee to purchase any amount under this contract. Estimated quantities in the Solicitation are for bidding purposes only and are not to be construed as a guarantee to purchase any amount. Unless otherwise stated in the special terms and conditions offers made in accordance with the Solicitation must be good and firm for a period of ninety (90) days from the date of bid opening. Bid prices must remain firm for the full term of the contract. In the case of error in the extension of prices in the bid, the unit prices will govern. If Contractor has quoted a cash discount based upon early payment; discounts offered for less than thirty (30) days have not been considered in making the award. The date from which discount time is calculated shall be the date a correct invoice is received or receipt of shipment, whichever is later; except that if testing is performed, the date shall be the date of acceptance of the merchandise. WSCA is not liable for any costs incurred by the bidder in proposal preparation.

12. PAYMENT. Except as prohibited by law, charges, less disputed amounts, for Corporate Liable Account Users must be paid within sixty (60) days of the date of invoice. Customer agrees that (a) time is of the essence; (b) it would be impractical to fix the exact amount of T-Mobile's damages if Customer fails to pay promptly. Payments will be remitted by mail or may be made via a Participating Entity's "Purchasing Card."

13. TAXES.

13.1 Prices shall be exclusive of state sales and federal excise taxes. Where a Participating Entity is not exempt from sales taxes on sales within its state, the Contractor shall add the sales taxes on the billing invoice as a separate entry. Contractor will be responsible to pay all taxes, assessments, fees, premiums, permits, and licenses required by law. The Lead State's real property and personal property taxes are the responsibility of Contractor in accordance with NRS 361.157 and NRS 361.159. Contractor agrees to be

responsible for payment of any such government obligations not paid by its subcontractors during performance of this contract. Nevada may set-off against consideration due any delinquent government obligation in accordance with NRS 353C.190.

13.2 T-Mobile shall invoice Customer's Master Account for taxes and fees (e.g. sales, use, excise, business activity, margin, value added, public utility and other taxes) levied by or to be remitted directly to federal, state or local authorities, or foreign governments or foreign service providers imposed on Customer or T-Mobile as a result of providing the Service or Customer's Unit ("Taxes and Fees"). T-Mobile will determine, in its reasonable discretion, the Taxes and Fees Customer is responsible to pay and the amount of those Taxes and Fees, which may change or increase at any time without notice. If Customer claims a tax exemption, Customer must provide T-Mobile with valid evidence of tax exemption ("Evidence"). Tax exemption only applies to Taxes and Fees incurred after the date T-Mobile receives the Evidence (Customer shall not receive credit for Taxes and Fees Customer has already paid). Should Customer's Evidence later be found to be invalid ("Invalidated Evidence") by a governmental entity where such Evidence was used to avoid the payment of any Taxes and Fees by Customer, Customer shall be responsible for and, at T-Mobile's option, shall promptly remit to T-Mobile or applicable governmental entity, any tax, interest and penalty levied or imposed upon T-Mobile due to such Invalidated Evidence.

13.3 T-Mobile may also invoice Customer for surcharges. Surcharges are not mandated by law; they are T-Mobile charges that are collected and retained by T-Mobile. The components and amounts of these charges are subject to change without notice. Surcharges include, but are not limited to charges, costs, fees and certain taxes T-Mobile incurs to provide services (and are not government taxes or fees imposed directly on our customers that we must collect by law). Examples include general and administrative fees (such as certain costs T-Mobile incurs to provide Service) as well as governmental-related surcharges (such as Federal or State Universal Service fees, regulatory fees, and gross receipts taxes). T-Mobile may impose the surcharges whether or not all or some services are used, or available to Customer, or in Customer's location, or whether or not Customer benefits from the programs, activities or services included in the surcharges; however, T-Mobile shall not impose any surcharges on Customers purchasing under this Contract that are not imposed broadly on Contractor's customer base.

13.4 All payments made by Customer under this Agreement shall be made without any deduction or withholding for, or on account of, any Taxes and Fees imposed by any taxing or governmental authority of any country or state. If Customer is or was required by law to make any deduction or withholding of Taxes and Fees from any payment due to T-Mobile under this Agreement then, notwithstanding anything to the contrary contained in this Agreement, the gross amount payable by Customer to T-Mobile will be increased so that, after any such deduction or withholding for Taxes and Fees, the net amount received by T-Mobile will not be less than the amount T-Mobile would have received had no such deduction or withholding been required. If any taxing or governmental authority asserts that T-Mobile or Customer should have made a deduction or withholding for, or on account of, any Taxes and Fees with respect to all or a portion of any payment made under this Agreement, Customer agrees to indemnify T-Mobile for such Taxes and Fees and to hold T-Mobile harmless on an after-tax basis from and against any Taxes and Fees, interest or charges levied or asserted against them in connection therewith.

13.5 T-Mobile is required to use the business street address that Customer has provided, which must be within T-Mobile's licensed service area, to determine the application of certain Taxes and Fees. **If you give us an address (such as a PO box) that is not a recognized street address, does not identify the**

Effective 04/07

taxing jurisdictions applicable to the address or does not reflect the service area associated with your Number, you may be assigned a default location for Taxes and Fees calculation, which may result in a higher or lower charge for certain Taxes and Fees. If Customer questions or wishes to dispute the propriety or amount of any Taxes or Fees on an invoice, Customer must notify T-Mobile of such question or dispute within sixty (60) days from the date the questioned or disputed Taxes and Fees were first billed or Customer waives the right to question or dispute such amounts. Any such questions or disputes should be directed to T-Mobile via telephone at (800) 375-1126 or by email at Businesscare@t-mobilesupport.com.

14. FINANCIAL OBLIGATIONS OF PARTICIPATING STATES. Financial obligations of Participating States are limited to the orders placed by the departments or other state agencies and institutions having available funds. Participating States incur no financial obligations on behalf of political subdivisions. Unless otherwise specified in the Solicitation, the resulting award(s) will be permissive.

15. ORDER NUMBERS. Contract order and purchase order numbers shall be clearly shown on all acknowledgments, shipping labels, packing slips, invoices, and on all correspondence.

16. WSCA ADMINISTRATIVE FEE; REPORTS. As more fully described in the Solicitation and Response, the Contractor shall submit quarterly reports to the WSCA Contract Administrator showing the quantities and dollar volume of purchases by each Participating State. This information will be utilized in computing and verifying the administrative fee payable to WSCA. Contractor shall pay an administrative fee of 1/10th of 1% (one-tenth of one percent) of the total wireless spend to WSCA.

17. DELIVERY. The prices bid shall be the delivered price to any WSCA state agency or political subdivision. All deliveries shall be F.O.B. destination with all transportation and handling charges paid by the Contractor. Responsibility and liability for loss or damage shall remain with the Contractor until final inspection and acceptance, when responsibility shall pass to the Buyer except as to latent defects, fraud and Contractor's warranty obligations. The minimum shipment amount will be found in the special terms and conditions. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an order to be shipped without transportation charges that is back-ordered shall be shipped without charge.

18. HAZARDOUS CHEMICAL INFORMATION. The Contractor will provide one set of the appropriate material safety data sheet(s) and container label(s) upon delivery of a hazardous material to any Buyer. All safety data sheets and labels will be in accordance with each Participating State's requirements.

19. INSPECTIONS. Goods furnished under this contract shall be subject to inspection and test by the Buyer at times and places determined by the Buyer. If the Buyer finds goods furnished to be incomplete or in non-compliance with bid specifications, the Buyer may reject the goods and require Contractor to either correct them without charge or deliver them at a reduced price which is equitable under the circumstances. If Contractor is unable or refuses to correct such goods within a time deemed reasonable by the Buyer, the Buyer may cancel the order in whole or in part. Nothing in this paragraph shall adversely affect the Buyer's rights including the rights and remedies associated with revocation of acceptance under the Uniform Commercial Code.

20. INSPECTION & AUDIT.

a. Books and Records. The Contractor will maintain, or supervise the maintenance of all records necessary to properly account for the payments made to the Contractor for costs authorized by this contract. Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to WSCA, the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.

b. Inspection and Audit. Contractor agrees that the relevant books and records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product, (the "Audit Documents"), shall be subject, during Contractor's normal business hours, to inspection, examination, review, audit, and copying. Audit Documents may be produced and transmitted electronically; on-site production or examination of Audit Documents shall not be required unless, in the auditor's reasonable judgment, electronic production has been insufficient for the purposes of the audit. In the event that on-site examination is requested, Audit Documents shall be examined at T-Mobile's corporate location in Bellevue, WA or other locations where such Audit Documents are maintained. Auditors shall provide Contractor reasonable written notice and a detailed request of specific records needed. Audits may be conducted by WSCA; the United States Government; the State Auditor or its contracted examiners, the Department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, The State Legislative Auditor and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives, and the authorized equivalent agencies of a Participating State or Participating Entity (collectively the "Auditing Authorities") at the Auditing Authorities' sole cost and expense. All subcontracts shall reflect requirements of this paragraph. Due to the highly sensitive and proprietary nature of Contractor's records, any third party auditor action on behalf of one or more of the Auditing Authorities shall be subject to prior approval by Contractor (which shall not be unreasonably withheld), and the third party auditor may be required at Contractor's sole discretion to execute the Contractor's standard non-disclosure agreement prior to examining, inspecting, copying or auditing Contractor's records. Such non-disclosure agreement shall not prohibit disclosure to the Auditing Authorities or discussion between the third party auditor and the Auditing Authorities for the purpose of complying with this section. Records available for audit shall be limited to records for the period of time since the auditing entity last performed an audit of that type of records. WSCA may audit records pertaining to Participating Entities, and may provide to a Participating Entity the results of the audit that pertain to that Participating Entity's participation in the Contract. To avoid a multiplicity of audits, WSCA will endeavor to meet the audit needs of Participating Entities in the course of WSCA's audit. An audit by or on behalf of WSCA does not preclude a Participating Entity from performing its own audit, but records to be audited by a Participating Entity shall be limited to the records relevant to that Participating Entity's participation in or use of this Contract.

c. Period of Retention. All books, records, reports, and statements relevant to this contract must be retained a minimum four (4) years after the contract terminates or until all audits initiated within the four (4) years have been completed, whichever is later, and for five (5) years if any federal funds are used in the contract. The retention period runs from the date of payment for the relevant goods or

services by the State, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

21. CONTRACT TERMINATION. Any of the following events shall constitute cause for WSCA to declare Contractor in default of the contract: (1) nonperformance of contractual requirements; and/or (2) a material breach of any term or condition of this contract. WSCA shall issue a written notice of default providing a period in which Contractor shall have an opportunity to cure. Time allowed for cure shall not diminish or eliminate Contractor's liability for other damages. If the default remains, after Contractor has been provided the opportunity to cure, WSCA may do one or more of the following: (1) exercise any remedy provided by law; (2). terminate this contract and any related contracts or portions thereof; and/or (3) suspend Contractor from receiving future bid solicitations.

Winding Up Affairs Upon Termination. In the event of termination of this contract for any reason, the parties agree that the provisions of this paragraph survive termination:

- i. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;
- ii. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by WSCA;
- iii. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this contract if so requested by WSCA;
- iv. Contractor shall preserve, protect and promptly deliver into WSCA's possession all proprietary information in accordance with paragraph (31).

22. REMEDIES. Except as otherwise provided for by law or this contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation \$125 per hour for attorneys employed by the Lead State. The Lead State may set off consideration against any unpaid obligation of Contractor to Lead State in accordance with NRS 353C.190, or the applicable Participating Addendum. A Participating Entity's right of set-off shall be in accordance with the law of the Participating Entity's state, and the provisions of the applicable Participating Addendum.

23. LIMITED LIABILITY. Nevada will not waive and intends to assert available NRS chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to consequential, incidental, indirect, exemplary or punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any breach by the Lead State shall never exceed the amount of funds appropriated for payment under this contract, but not yet paid to Contractor, for the fiscal year budget in existence at the time of the breach. Damages for any Contractor breach of contract or for claims based on ordinary negligence shall not exceed the greater of five hundred thousand dollars (\$500,000.00) or one percent (1%) of Contractor's last previous calendar year's Total Wireless Spend. Contractor's tort liability for gross negligence or willful misconduct shall not be limited.

24. FORCE MAJEURE. Neither party to this contract shall be deemed to be in violation of this contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God,

including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the contract after the intervening cause ceases. WSCA may terminate this contract after determining such delay or default will reasonably prevent successful performance of the contract.

25. INDEMNIFICATION. To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend, not excluding the State's right to participate, Nevada from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents. The Contractor shall release, protect, indemnify and hold WSCA and the respective states and their officers, agencies, employees, harmless from and against any damage, cost or liability, including reasonable attorney's fees for any or all injuries to persons, property or claims for money damages arising from acts or omissions of the contractor, his employees or subcontractors or volunteers.

26. INSURANCE SCHEDULE. Unless expressly waived in writing by the Lead State or Participating States, Contractor, as an independent contractor and not an employee of the Lead State or Participating States, must carry policies of insurance in amounts specified in this Insurance Schedule and/or any Insurance Schedule agreed by Contractor and a Participating State via a participating addendum, and pay all taxes and fees incident hereunto. The Lead State and Participating States shall have no liability except as specifically provided in the contract. The Contractor shall not commence work before:

1) Contractor has provided the required evidence of insurance to the Lead State.

The Lead State's approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this contract. Any failure of the Lead State to timely approve shall not constitute a waiver of the condition.

Unless different or additional insurance is required pursuant to the terms of a Participating Addendum, Contractor agrees that the following insurance coverages and policy limits shall also apply to, and operate for the benefit of, each Participating Entity that participates in this Contract pursuant to a Participating Addendum.

Insurance Coverage: The Contractor shall, at the Contractor's sole expense, procure, maintain and keep in force for the duration of the contract the following insurance conforming to the minimum requirements specified below. Unless specifically stated herein or otherwise agreed to by the Lead State, the required insurance shall be in effect prior to the commencement of work by the Contractor and shall continue in force as appropriate until the latter of:

1. Final acceptance by the Lead State of the completion of this contract; or

2. Such time as the insurance is no longer required by the Lead State under the terms of this contract.

Any insurance or self-insurance available to the State shall be excess of and non-contributing with any insurance required from Contractor. Contractor's insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by the Lead State, Contractor shall provide the Lead State with renewal or replacement evidence of insurance before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by the contract, an insurer or surety shall fail to comply with the requirements of this contract, as soon as Contractor has knowledge of any such failure, Contractor shall immediately notify the State and immediately replace such insurance or bond with an insurer meeting the requirements.

Workers' Compensation and Employer's Liability Insurance

- 2) Employer's Liability insurance with a minimum limit of \$500,000 each employee per accident for bodily injury by accident or disease.

 - \$1,000,000.00** Each Occurrence

Neither approval by the Lead State nor failure to disapprove the insurance furnished by Contractor shall relieve Contractor of Contractor's full responsibility to provide the insurance required by this contract. Compliance with the insurance

requirements of this contract shall not limit the liability of Contractor or its sub-contractors, employees or agents to the Lead State or others, and shall be in addition to and not in lieu of any other remedy available to the Lead State or Participating States under this contract or otherwise.

Mail all required insurance documents to the Lead State identified on page one of the contract

27. COMPLIANCE WITH LEGAL OBLIGATIONS. Any and all supplies, services and equipment bid and furnished shall comply fully with all applicable Federal and State laws and regulations. Contractor shall procure and maintain for the duration of this contract any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this contract. The Lead State may set-off against consideration due any delinquent government obligation in accordance with NRS 353C.190.

28. WAIVER OF BREACH. Failure to declare a breach or the actual waiver of any particular breach of the contract or its material or nonmaterial terms by either party shall not operate as a waiver by such party of any of its rights or remedies as to any other breach.

29. SEVERABILITY. If any provision of this contract is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected; and the rights and obligations of the parties shall be construed and enforced as if the contract did not contain the particular provision held to be invalid.

30. ASSIGNMENT/DELEGATION. To the extent that any assignment of any right under this contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by State, such offending portion of the assignment shall be void, and shall be a breach of this contract. Contractor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this contract, in whole or in part, without the prior written approval of the WSCA Contract Administrator, which consent shall not be unreasonably withheld, conditioned or delayed.

31. OWNERSHIP OF PROPRIETARY INFORMATION. Any reports, histories, studies, tests, manuals, instructions, photographs, negatives, blue prints, plans, maps, data, system designs, computer code (which is intended to be consideration under the contract), or any other documents or drawings, prepared or in the course of preparation by Contractor (or its subcontractors) in performance of its obligations under this contract shall be the exclusive property of WSCA and all such materials shall be delivered into WSCA possession by Contractor upon completion, termination, or cancellation of this contract. Contractor shall not use, willingly allow, or cause to have such materials used for any purpose other than performance of Contractor's obligations under this contract without the prior written consent of WSCA. Notwithstanding the foregoing, WSCA shall have no proprietary interest in any materials licensed for use that are subject to patent, trademark or copyright protection.

32. PATENTS, COPYRIGHTS, ETC. The Contractor shall release, indemnify and hold WSCA, the State, and Participating States and their officers, agents and employees harmless from liability of any kind or nature, including the Contractor's use of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance of this contract.

33. PUBLIC RECORDS. Pursuant to NRS 239.010, information or documents received from Contractor may be open to public inspection and copying. The State will have the duty to disclose unless a particular

record is made confidential by law or a common law balancing of interests. Contractor may label specific parts of an individual document as a "trade secret" or "confidential" in accordance with NRS 333.333, provided that Contractor thereby agrees to indemnify and defend the State for honoring such a designation.

The failure to so label any document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any release of the records.

34. CONFIDENTIALITY. Contractor shall keep confidential all information, in whatever form, produced, prepared, observed or received by Contractor to the extent that such information is confidential by law or otherwise required by this contract.

35. NONDISCRIMINATION. Contractor agrees to abide by the provisions of Title VI and Title VII of the Civil Rights Act of 1964 (42 USC 2000e), which prohibit discrimination against any employee or applicant for employment, or any applicant or recipient of services, on the basis of race, religion, color, or national origin; and further agrees to abide by Executive Order No. 11246, as amended, which prohibits discrimination on basis of sex; 45 CFR 90 which prohibits discrimination on the basis of age, and Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act of 1990 which prohibits discrimination on the basis of disabilities. Contractor further agrees to furnish information and reports to requesting Participating Entities, upon request, for the purpose of determining compliance with these statutes. Contractor agrees to comply with each individual Participating State's certification requirements, if any, as stated in the special terms and conditions. This contract may be canceled if the Contractor fails to comply with the provisions of these laws and regulations. Contractor must include this provision in every subcontract relating to purchases by the States to insure that subcontractors and vendors are bound by this provision.

36. FEDERAL FUNDING. In the event federal funds are used for payment of all or part of this contract:

a. Contractor certifies, by signing this contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency. This certification is made pursuant to the regulations implementing Executive Order 12549, Debarment and Suspension, 28 C.F.R. pt. 67, § 67.510, as published as pt. VII of the May 26, 1988, Federal Register (pp. 19160-19211), and any relevant program-specific regulations. This provision shall be required of every subcontractor receiving any payment in whole or in part from federal funds.

b.
