16. Information Items

Minutes:

Mr. Lee-Sung provided an update on the safety work taking place in the district.

1. The District has launched a safety web page
2. The District has been working on a high heat day plan that will include a two hour early dismissal on very high heat days reaching 95 degrees and a heat index of 103 in the elementary and middle schools that do not have air conditioning.
3. At the June 26 Board meeting he will provide a safety update.

17. Community Input

17.a. Comment Cards are Requested to be Completed Prior to Addressing the Board

Minutes: All comments are recorded in full on the meeting video record that is available on a DVD to check out from the Superintendent's office for three business days or for purchase for \$1.00.

The following individuals shared comments with the Board:

1. Edwin Bell - NMUSD teacher pleased with the leadership at NHHS
2. Erica Roberts - pleased with high heat days plan and concerned about class sizes

18. Superintendent Report

Minutes:

The superintendent shared information regarding class size data and the commitment of the district to smaller class sizes and to not have combo classes. Member Fluor shared data from the class size document for various grade levels illustrating there are bubbles of larger enrollments at some schools in certain grades but most other grades have lower class sizes across the grade levels.

19. Consent Calendar

Motion Passed: It is recommended that the Board of Education approve the consent calendars for Business, Education, Human Resources, Student Support Services and Superintendent as submitted. Passed with a motion by Charlene Metoyer and a second by Judy Franco.
