Terms of Service

Welcome to BrightBytes, the online service of BrightBytes, Inc. and its wholly owned subsidiary Authentica Solutions, LLC ("BrightBytes," "we," or "us"). This page explains the terms by which you may use and otherwise interact with our online website, applications and software (collectively, "Applications") provided on or in connection with BrightBytes' proprietary online service, technology, and infrastructure for the distribution of tools and technologies to enable users to access, use, and analyze data, materials, and information relevant to the education market (such service, technology, and infrastructure, the "Clarity/DataSense Platforms") (collectively the website, Applications and Clarity/DataSense Platforms shall be referred to as the "Service").

By accessing or using the Service, checking the box indicating your acceptance or by executing a Partnership Agreement or a Sales Order that references these Terms, you signify that you have read, understood, and agree to be bound by these Terms of Service (the "Terms"), and to the collection and use of your information as set forth in the BrightBytes Privacy Policy (<http://brightbytes.net/privacy-policy/>), whether or not you are a registered user of our Service. These Terms apply to all users and other visitors to the Service ("Users").

PLEASE READ THIS AGREEMENT CAREFULLY TO ENSURE THAT YOU UNDERSTAND EACH PROVISION. THIS AGREEMENT CONTAINS A MANDATORY INDIVIDUAL ARBITRATION AND CLASS ACTION/JURY TRIAL WAIVER PROVISION THAT REQUIRES THE USE OF ARBITRATION ON AN INDIVIDUAL BASIS TO RESOLVE DISPUTES, RATHER THAN JURY TRIALS OR CLASS ACTIONS.

Capitalized terms that are not defined in these Terms are as defined in the Sales Order.

1. Relationship to Other Agreements

1.1 License and Service Agreements. Depending on the services or materials you will be providing to, or receiving from, BrightBytes, other terms may apply in addition to this Agreement. If you are a Partner who is or will be providing frameworks for analysis of data and information via the Clarity Platform ("Frameworks"), the terms of your separate written agreement with us (each a "Partnership Agreement") will apply. If you are a customer of BrightBytes ("Customer") who is or will be purchasing access to Frameworks or other Applications via the Clarity/DataSense Platforms, the terms of your Sales Order, along with any addendum thereto, such as a Data Sharing Addendum (each an "Addendum"), will apply. Throughout these Terms, "the Agreement" means these Terms and the terms of your Sales Order, Partnership Agreement, and any other agreement entered into between you and BrightBytes, as applicable.

1.2 Order of Precedence. In the event of a conflict between the terms of your Partnership Agreement, Sales Order, or any Addendum, as applicable, the terms of such agreement will take precedence over the terms set forth in these Terms.

2. Use of Our Service

BrightBytes provides a website, software and services to assist school districts, schools, and other educational partners in accessing, using and analyzing data with the goal of improving student learning outcomes.

2.1. Eligibility

This is a contract between you and BrightBytes. You must read and agree to these terms before using the BrightBytes Service. If you do not agree, you may not use the Service. You may use the Service only if you can form a binding contract with BrightBytes, and only in compliance with this Agreement and all applicable local, state, national, and international laws, rules and regulations. By using the Service, or otherwise obtaining services from, or

providing services to, BrightBytes, you affirm that you: (1) are at least eighteen (18) years of age or older; and (2) have read, understand, and agree to be bound by all of the terms set forth herein and any other applicable terms.

2.2. BrightBytes Service

Subject to the terms and conditions of the Agreement, you are hereby granted a non-exclusive, limited, non-transferable, non-sublicensable, license to use the Service.

BrightBytes may terminate this license at any time for any reason or no reason, subject to applicable terms in the Agreement.

2.3. Service Rules

You agree not to engage in any of the following prohibited activities: (i) copying, distributing, or disclosing any part of the Service in any medium, including without limitation by any automated or non-automated "scraping"; (ii) using any automated system, including without limitation "robots," "spiders," "offline readers," etc., to access the Service in a manner that sends more request messages to the BrightBytes servers than a human can reasonably produce in the same period of time by using a conventional on-line web browser (except that BrightBytes grants the operators of public search engines revocable permission to use spiders to copy publicly available materials from the Service for the sole purpose of and solely to the extent necessary for creating publicly available searchable indices of the materials, but not caches or archives of such materials); (iii) transmitting spam, chain letters, or other unsolicited email; (iv) attempting to interfere with, compromise the system integrity or security or decipher any transmissions to or from the servers running the Service; (v) taking any action that imposes, or may impose at our sole discretion an unreasonable or disproportionately large load on our infrastructure; (vi) uploading invalid data, viruses, worms, or other software agents through the Service; (vii) collecting or harvesting any personally identifiable information, including account names, from the Service; (viii) using the Service for any commercial solicitation purposes; (ix) impersonating another person or otherwise misrepresenting your affiliation with a person or entity, conducting fraud, hiding or attempting to hide your identity; (x) interfering with the proper working of the Service; (xi) accessing any content on the Service through any technology or means other than those provided or authorized by the Service; (xi) bypassing the measures we may use to prevent or restrict access to the Service, including without limitation features that prevent or restrict use or copying of any content or enforce limitations on use of the Service or the content therein; or (xii) crawling, scraping or otherwise accessing the Service for any competitive or market research purposes.

We may, without prior notice, change the Service; stop providing the Service or features of the Service, to you or to Users generally; or create usage limits for the Service. We may permanently or temporarily terminate or suspend your access to the Service without notice and liability for any reason, including if in our sole determination you violate any provision of this Agreement, or for no reason. Upon termination for any reason or no reason, you continue to be bound by this Agreement.

You are solely responsible for your interactions with other BrightBytes Users. We reserve the right, but have no obligation, to monitor disputes between you and other Users. BrightBytes shall have no liability for your interactions with other Users, or for any User's action or inaction.

2.4. Account and Passwords

Upon completing the registration process, you will receive a unique account ID and password for each of your Users (the "Account Information"). The Account Information may be used only by your Users and you are responsible for ensuring that each of your Users maintains the confidentiality of the Account Information. You shall be solely responsible for all activities that occur using your Account Information. You shall notify us immediately of any unauthorized use or loss of any Account Information or any other breach of security with respect to your or your Users' use of the Services. Account Information is subject to cancellation or suspension by us at any time if we reasonably believe that such Account Information is being misused, used by an unauthorized user, or if you have materially breached this Agreement. The reissuance or reactivation of any Account Information shall be in our discretion.

3. Personal Information and Student Data

3.1. Student Data. If you are a school, school district, or related entity or other organization that will be providing BrightBytes access to Student Data (as defined below), you authorize BrightBytes to collect, use, process and share Student Data for the purposes provided under this Addendum. "**Student Data**" is any personal information (in any format) that is directly related to an identifiable current or former student that is maintained by a school, school district, or related entity or organization, or by us on your behalf. To the extent that U.S. law applies, Student Data may include "educational records" as defined in the Family Educational Rights and Privacy Act ("**FERPA**"), 20 U.S.C. § 1232(g), and that BrightBytes shall be considered a School Official with a legitimate educational interest.

3.2. Ownership and Control. BrightBytes shall access and process Student Data for the purposes of providing an outsourced institutional function pursuant to FERPA 34 CFR Part 99.31(a)(1). As between BrightBytes and you, you own all right, title, and interest to all Student Data you provide or otherwise make available to us, and BrightBytes does not own, control, or license such Student Data, except so as to provide the Applications and related services described herein. Both parties agree to uphold their responsibilities under laws governing the privacy of Student Data, including in the U.S. the Family Educational Rights and Privacy Act ("**FERPA**"), the Protection of Pupil Rights Amendment ("**PPRA**"), and the Children's Online Privacy and Protection Act ("**COPPA**"), as applicable. We rely on each school or other Customer to obtain and provide appropriate consent and disclosures, if necessary, for BrightBytes to collect any Student Data, including the collection of Student Data directly from students under 13, as permitted under COPPA.

3.3. Confidentiality. BrightBytes agrees to treat Student Data as confidential and not to share it with third parties other than as described in the Agreement and BrightBytes's Student Data Privacy Statement (<http://www.brightbytes.net/privacy-policy/>)

3.4. BrightBytes's Access. You authorize BrightBytes to access or collect Student Data and shall facilitate a reasonable method for BrightBytes to access the information stored in your student information systems ("**SIS**"), learning management system ("**LMS**") or other data repository, or receive Student Data or other information via SIS, Secure File Transfer Protocol ("**SFTP**"), or other secure transfer method. To the extent you utilize a portion of the Service that collects information through a client-layer solution (e.g., a browser extension), network layer solution (e.g., software that resides at the network level and that collects information), or another method that may be used by BrightBytes and/or its third-party service providers to collect information (each a "Collection Method"), you authorize BrightBytes to access or collect Student Data and Usage Data (defined below) via the Collection Method applicable to the BrightBytes Service you have selected, and you agree that BrightBytes may combine such data with Student Data it receives or collects through other methods. Through the course of providing certain portions of the Service, and to the extent you utilize such Service offerings, BrightBytes may also collect usage data about a user's browsing behavior on a webpage or application (e.g., time spent on page, use of third party applications, mouse clicks, etc.) ("Usage Data"), which shall be treated as Student Data only if, and to the extent, that this Usage Data is combined or associated with personally identifiable Student Data.

3.5. Student Data Consents and Authority. You represent and warrant that you have the authority to provide Student Data to BrightBytes, and for BrightBytes to access, collect, process, and otherwise use Student Data as set forth in this Agreement, for the purpose of

providing the Applications and services described in the Agreement, and that you have provided appropriate disclosures to, and received appropriate consents from, your Authorized Users or any other end users regarding your sharing such Student Data with BrightBytes and BrightBytes' access, collection, processing, and other use of the Student Data as set forth in this Agreement. Without limiting the generality of the foregoing, and to the extent applicable to the Service provided to you under this Agreement, you represent and warrant that you have provided appropriate disclosures to, and received appropriate consents from, your Authorized Users or any other end users, including, as necessary, parents or guardians of students, regarding the Collection Methods applicable to the portions of the Service to which you have purchased access, including but not limited to, the installation of a browser extension on any device which is used to access a user account you have selected to participate in the Service for the purposes of permitting BrightBytes to collect Student Data and Usage Data, for purposes of providing the Service. For clarity and without limitation, you are solely responsible for the selection of user accounts to which the browser extension will be associated, and for the installation of the browser extension on such accounts for the purpose of participating in the Services.

3.6. Use of Student Data. By sharing Student Data or other information to BrightBytes, you expressly grant, and you represent and warrant that you have all rights necessary to grant to BrightBytes a non-exclusive, royalty-free, worldwide license during the term of the Agreement to use, transmit, distribute, modify, reproduce, display, and store the Student Data solely for the purposes of (i) providing the Services as contemplated herein, (ii) maintaining, supporting, evaluating, improving and developing our products, applications, and Service, (iii) enforcing its rights under the Agreement, and (iv) as permitted with the authorized user's consent or direction.

3.7. Restrictions on Use of Student Data. BrightBytes may access, use, store or collect Student Data solely to the extent necessary to exercise its rights and perform its obligations under the Agreement. BrightBytes shall not sell, disclose, transfer, share or rent Student Data, except (i) to the extent set forth in the Agreement, or (ii) as otherwise directed with the Customer's written consent. For clarity and without limitation, authorized users of Customer who access the Service pursuant to this Agreement shall not be "third parties" for the purpose of this Section. BrightBytes shall not use Student Data to engage in targeted advertising.

3.8. Use of Anonymized Data. You agree that BrightBytes may collect, analyze, and use data derived from Student Data, including de-identified, aggregated or anonymized Student Data, as well as Usage Data not combined with Student Data, and data about your, and other

users' access and use of the Applications, for product development, research or other purposes, including, but not limited to, operating, analyzing, improving, developing or marketing the Applications, the Clarity/DataSense Platforms, or for the development and improvement of educational sites, services or applications. If BrightBytes publicly discloses or shares with third parties (e.g., in marketing materials, research, analytics, or in application development) information that is derived from Student Data, such data will be aggregated or anonymized to reasonably avoid identification of a specific individual. You further agree that BrightBytes will have the right, both during and after the Term of this Agreement, to use, store, transmit, distribute, modify, copy, display, sublicense, and create derivative works of the anonymized or aggregated data.

3.9. Third-Party Subcontractor Access. By submitting Student Data to BrightBytes, you consent to allow BrightBytes to provide access to Student Data to its employees and to certain third party service providers that have a legitimate need to access such information in connection with their responsibilities in providing the Applications and related services. BrightBytes and its employees, subcontractors, service providers, or agents involved in the handling, transmittal, and processing of Student Data will be required to maintain the confidentiality of such data that includes personally identifiable information. BrightBytes will maintain access log(s) that record all disclosures of or third party access to Student Data within its possession, and will provide copies of an access log(s) to you upon request.

3.10. Data Retention and Deletion Requests. You may request that BrightBytes delete or retrieve your Student Data in BrightBytes's possession at any time by providing such a request in writing, which request BrightBytes shall then comply with in a commercially reasonable time not to exceed (2) two weeks. If you request that BrightBytes retrieve Student Data, BrightBytes will provide you with a copy of all Student Data that was processed during the Term. For clarity, BrightBytes will continue to maintain a copy of such data for our records until the end of the Term of the Agreement or until we receive a deletion request. BrightBytes is not required to delete or provide to you any Student Data that has been de-identified, anonymized and/or aggregated, or any data that has been derived from Student Data, so long as the data is maintained in a form, which could not reasonably identify any individual. Upon termination of the Term of this Agreement, BrightBytes will automatically delete or de-identify all Student Data within 30 days from the end of the Term unless you submit a request to retrieve such data within that time frame.

3.11. Data Location. You acknowledge and agree that BrightBytes will store and process information, including Student Data, in various data centers around the world, including in the U.S., and that Student Data may not be stored or processed only within the country in

which it was collected. You also acknowledge that, subject to this Agreement and to the extent permitted by Law, Student Data may be accessed and processed by our affiliates' or our third party service providers' personnel in foreign countries, including countries other than the jurisdiction from which the Student Data was collected, and you hereby authorize such access and processing. You warrant and agree that you have obtained all necessary consents for BrightBytes to process Student Data in the U.S. and elsewhere in the world.

3.12. Data Security. We have implemented commercially reasonable administrative, physical and technical safeguards designed to secure personal information, including Student Data, from unauthorized access, disclosure, or use, which could include data encryption, firewalls, physical access controls to buildings and files. We have policies and procedures in place to limit access to our systems to only those employees and trusted third parties that have a need-to-know basis based on specific job function or role. You acknowledge and agree that, as between the parties, you are solely responsible for any and all Student Data, whether provided by you, students, or any other third-party. In the event we have a reasonable, good faith belief that an unauthorized party has gained access to or been disclosed personally identifiable Student Data we have collected or received through the Applications, BrightBytes will promptly notify you and will use reasonable efforts to cooperate with your investigation of the incident; and if such incident triggers any third party notice requirements under applicable laws, you agree that as the owner of the Student Data, you will be responsible for the timing, content, cost and method of any such notice and compliance with such laws.

3.13. Change of Control. By providing access to Student Data to BrightBytes, you consent to allow BrightBytes to transfer Student Data to a new provider in the event that BrightBytes sells, divests or transfers the business or a portion of the business, provided that the new provider has agreed to data privacy standards no less stringent than those set forth in this Agreement. We may also transfer personal information - under the same conditions - in the course of mergers, acquisitions, bankruptcies, dissolutions, reorganizations, liquidations, similar transactions or proceedings involving all or a portion of our business. In either case we will provide you with notice and an opportunity to opt-out of the transfer of Student Data by deleting your Student Data information and terminating your account.

4. Confidentiality

4.1 Definition. "Confidential Information" means any information marked or otherwise identified in writing by either you or us as proprietary or confidential or that, under the circumstances surrounding the disclosure, should be known to constitute proprietary or

confidential information. Confidential Information of both parties shall include, without limitation, any amounts paid under, and the terms of, the Agreement, as well as information regarding either party's business, strategies, plans, suppliers, clients, finances, business plans, product development, technology, and software. For the avoidance of doubt, BrightBytes' Confidential Information shall include the proprietary aspects, designs, and features of the Service.

4.2 Duty of Confidentiality. Neither party will use the other's Confidential Information without the other's written consent as expressly permitted in the Agreement except for the purpose of exercising its rights or carrying out its obligations under the Agreement. Each party will disclose the other's Confidential Information to its employees, agents, representatives, and consultants only on a need-to-know basis and subject to reasonable confidentiality obligations on such persons. Each party will protect the other's Confidential Information using the same degree of care, but no less than reasonable care, to prevent the unauthorized use or disclosure of such Confidential Information.

4.3 Exclusions. The obligations set forth in this Section will not apply to any information that: (i) was previously known to either party free of any obligation of confidentiality; (ii) is or becomes publicly available other than by means of unauthorized disclosure by either party; or (iii) is required to be disclosed pursuant to statute, regulation, or order of a court.

4.4 Remedies for Breach. The receiving party agrees that the disclosing party will be entitled to equitable relief, including injunction and specific performance, in the event of any breach or threatened or intended breach of the Agreement. Such injunctive relief shall not be the disclosing party's exclusive remedy for any breach of the Agreement, but will be in addition to all other remedies available at law or in equity.

5. Representations and Warranties; Disclaimers

5.1 Mutual Representations and Warranties. Each party hereby represents, warrants, and covenants that: (i) it has full authority to enter into the Agreement; and (ii) the Agreement shall constitute a valid and binding obligation on such party, enforceable in accordance with the terms of each.

5.2 Limited Warranty by BrightBytes. BrightBytes hereby warrants that the Service will perform substantially in accordance with its documentation or specifications. The foregoing warranty shall not apply to performance issues of the Service: (i) caused by factors outside of our reasonable control; (ii) that result from any actions or inactions of you or any third parties; or (iii) that result from your data structure, operating environment, or equipment.

5.3 Limited Warranty by You. You hereby represent and warrant that you are the owner of or otherwise have the right to use and provide all materials furnished or licensed by you to us in connection with the Agreement, and that such materials do not now and will not at any relevant time infringe upon any third-party's intellectual property rights.

5.4 Disclaimer of Warranties. EXCEPT FOR THE LIMITED WARRANTY PROVIDED IN THIS SECTION 5, BRIGHTBYTES AND ITS LICENSORS MAKE NO REPRESENTATION, WARRANTY, OR GUARANTY AS TO THE RELIABILITY, TIMELINESS, QUALITY, SUITABILITY, TRUTH, AVAILABILITY, ACCURACY, OR COMPLETENESS OF THE SERVICE OR ANY OTHER MATERIALS OR SERVICES PROVIDED. BRIGHTBYTES AND ITS LICENSORS DO NOT REPRESENT OR WARRANT THAT: (i) THE USE OF THE SERVICE OR ANY SERVICES WILL BE SECURE, TIMELY, UNINTERRUPTED OR ERROR-FREE, OR OPERATE IN COMBINATION WITH ANY OTHER HARDWARE, SOFTWARE, SYSTEM, OR DATA; (ii) THE SERVICE OR ANY MATERIALS OR SERVICES WILL MEET YOUR REQUIREMENTS OR EXPECTATIONS; (iii) ERRORS OR DEFECTS WILL BE CORRECTED; (iv) THE SERVICE OR THE SERVER(S) THAT MAKE THEM AVAILABLE ARE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS; OR (v) THE SERVICE OR ANY MATERIALS OR SERVICES WILL BE FREE FROM PROBLEMS ARISING FROM LIMITATIONS, DELAYS, DELIVERY FAILURES, OR OTHER DAMAGE RESULTING FROM THE UNAVAILABILITY OF, OR LACK OF PERFORMANCE BY THIRD-PARTIES NECESSARY FOR PROVIDING, THE SERVICE OR ANY MATERIALS OR SERVICES. THE SERVICE AND OTHER MATERIALS AND SERVICES ARE PROVIDED TO YOU STRICTLY ON AN "AS IS" BASIS. ALL CONDITIONS, REPRESENTATIONS, AND WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT OF THIRD-PARTY RIGHTS, ARE HEREBY DISCLAIMED BY BRIGHTBYTES TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

6. Limitations of Liability

6.1 Indirect Damages Waiver. EXCEPT WITH RESPECT TO LIABILITY ARISING FROM BRIGHTBYTES' GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, BRIGHTBYTES AND ITS LICENSORS SHALL NOT BE LIABLE TO YOU FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR EXEMPLARY DAMAGES SUCH AS, BUT NOT LIMITED TO, LOSS OF REVENUE, DATA, PROFITS, GOODWILL, OR OTHER ECONOMIC ADVANTAGE, EVEN IF BRIGHTBYTES HAS BEEN PREVIOUSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FOR THE AVOIDANCE OF DOUBT, IN NO EVENT WILL BRIGHTBYTES OR ITS LICENSORS BE LIABLE TO ANYONE FOR ANY SUCH DAMAGES ARISING OUT OF, OR IN

ANY WAY CONNECTED WITH THE SERVICE OR ANY MATERIALS OR SERVICES, INCLUDING BUT NOT LIMITED TO THE USE OR INABILITY TO USE THE SERVICE OR ANY CONTENT OBTAINED FROM OR THROUGH THE SERVICE

6.2 Liability Cap. IN NO EVENT WILL BRIGHTBYTES' AGGREGATE LIABILITY EXCEED THE AMOUNTS ACTUALLY RECEIVED BY BRIGHTBYTES FROM YOU IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO SUCH CLAIM UNDER THIS AGREEMENT AND AN APPLICABLE PARTNERSHIP AGREEMENT (AND IN THE CASE OF A PARTNERSHIP AGREEMENT, SUCH AMOUNTS WILL BE NET OF PAYMENTS TO PARTNER).

7. Indemnification

7.1 You agree to defend, indemnify and hold harmless BrightBytes and its subsidiaries, agents, licensors, managers, and other affiliated companies, and their employees, contractors, agents, officers and directors, from and against any and all claims, damages, obligations, losses, liabilities, costs or debt, and expenses (including but not limited to attorney's fees) arising from: (i) your use of and access to the Service, including any data or content transmitted or received by you; (ii) your violation of any term of the Agreement, including without limitation your breach of any of the representations and warranties above; (iii) your violation of any third-party right, including without limitation any right of privacy or Intellectual Property Rights; (iv) your violation of any applicable law, rule or regulation; (v) your negligence, fraud, or willful misconduct; or (vi) any other party's access and use of the Service with your unique username, password or other appropriate security code.

7.2 The indemnifying party's obligations are contingent on the indemnified party (i) giving the indemnifying party prompt written notice of the claim for which it seeks indemnification (provided that failure to so notify shall only relieve the indemnifying party of its obligations to the extent that the delay in providing notice materially prejudiced such indemnifying party's ability to defend the claim); (ii) providing reasonable cooperation in the defense and all related settlement negotiations, with reasonable out of pocket expenses to be paid by the indemnifying party; and (iii) allowing the indemnifying party sole control over the litigation or settlement of such claim (except that if the settlement would adversely affect the indemnified party, then the settlement shall be subject to the indemnified party's prior written consent). The indemnified party reserves the right to retain separate counsel, at the indemnified party's sole expense, to participate in the defense of any such claim.

8. User Content

8.1 General. Certain of the Applications may allow you or your users to post content such as profile information, comments, questions, articles, and other content or information (any such materials you submit, post, display, or otherwise make available on the Service, “User Content”). We claim no ownership rights over User Content created, uploaded, or transmitted by you. The User Content you create remains yours; however, by sharing the User Content through the Service, you agree to allow others to view, edit, and share your User Content in accordance with this Agreement. However, BrightBytes may, in its sole discretion, remove any User Content shared via the Service.

8.2 Restrictions on User Content. You agree that neither you nor your users will post User Content that: (i) may create a risk of harm, loss, physical or mental injury, emotional distress, death, disability, disfigurement, or physical or mental illness to you, to any other person, or to any animal; (ii) may create a risk of any other loss or damage to any person or property; (iii) seeks to harm or exploit children by exposing them to inappropriate content, asking for personally identifiable details or otherwise; (iv) may constitute or contribute to a crime or tort; (v) contains any information or content that we deem to be unlawful, harmful, abusive, racially or ethnically offensive, defamatory, infringing, invasive of personal privacy or publicity rights, harassing, humiliating to other people (publicly or otherwise), libelous, threatening, profane, or otherwise objectionable; (vi) contains any information or content that is illegal (including, without limitation, the disclosure of insider information under securities law or of another party’s trade secrets); (vii) contains any information or content that you do not have a right to make available under any law or under contractual or fiduciary relationships; or (viii) contains any information or content that you know is not correct and current. You agree that any User Content that you post does not and will not violate third-party rights of any kind, including without limitation any intellectual property rights or rights of privacy. To the extent that your User Content contains music, you hereby represent that you are the owner of all the copyright rights, including without limitation the performance, mechanical, and sound recordings rights, with respect to each and every musical composition (including lyrics) and sound recording contained in such User Content and have the power to grant the license granted below. BrightBytes may reject or remove any User Content that we believe, in our sole discretion, violates these provisions.

8.3 Your Representations and Warranties Regarding User Content. In connection with User Content, you affirm, represent, and warrant the following: You have the written consent of each and every identifiable natural person in the User Content to use such person’s name or likeness in the manner contemplated by the Service and this Agreement, and each such person has released you from any liability that may arise in relation to such use. Your User

Content and BrightBytes' use thereof as contemplated by this Agreement and the Service will not violate any law or infringe any rights of any third party, including but not limited to any Intellectual Property Rights and privacy rights. BrightBytes may exercise the rights to your User Content granted under this Agreement without liability for payment of any guild fees, residuals, payments, fees, or royalties payable under any collective bargaining agreement or otherwise. To the best of your knowledge, all your User Content and other information that you provide to us is truthful and accurate.

8.4 Disclaimer. We take no responsibility and assume no liability for any User Content that you or your users upload, post, send, or otherwise transmit via the Service. You shall be solely responsible for your User Content and the consequences of posting or publishing it, and you agree that we are only acting as a passive conduit for your online distribution and publication of your User Content. You understand and agree that you may be exposed to User Content that is inaccurate, objectionable, inappropriate for children, presents health risks, or may otherwise be unsuited to your purpose, and you agree that BrightBytes shall not be liable for any damages you allege to incur as a result of your User Content.

8.5 User Content License Grant. By posting any User Content via the Service, you expressly grant, and you represent and warrant that you have all rights necessary to grant, to BrightBytes a royalty-free, sub-licensable, transferable, perpetual, irrevocable, non-exclusive, worldwide license to use, reproduce, modify, publish, list information regarding, edit, translate, distribute, syndicate, publicly perform, publicly display, and make derivative works of all such User Content and your name, voice, and/or likeness as contained in your User Content, in whole or in part, and in any form, media or technology, whether now known or hereafter developed, for use in connection with the Service and BrightBytes' (and its successors' and affiliates') business, including without limitation for promoting and redistributing part or all of the Service (and derivative works thereof) in any media formats and through any media channels. You also hereby grant each user of the Service a non-exclusive license to access your User Content through the Service, and to use, reproduce, distribute, display and perform such User Content to the extent permitted through the functionality of the Service and under this Agreement.

BrightBytes will not be responsible for delays, costs incurred, or problems experienced by Customer due to the suspension of BrightBytes's performance under this Section.

10.3 Taxes. Customer will, in addition to the other amounts payable under this Agreement, pay all federal, state, and local sales, use, VAT, or other taxes imposed by reason of transactions under this Agreement (other than taxes based on BrightBytes's net income). If BrightBytes is required to pay any such taxes for which Customer is responsible, then the taxes will be billed to and paid by Customer. If Customer is required by law to withhold from any amount owed to BrightBytes, then the amount payable to BrightBytes will be increased to the extent necessary to ensure that, after such withholding, BrightBytes receives the net amount that it otherwise would have received in the absence of such withholding.

11. Term and Termination

11.1 Effective Date and Term. Unless earlier terminated as provide in this Section, this Agreement shall be effective as of the Effective Date set forth on the Sales Order and shall continue through the Term set forth on the Sales Order.

11.2 Termination for Convenience. BrightBytes may terminate this Agreement for any reason or for no reason by providing you at least thirty (30) days' prior written notice.

11.3 Termination for Cause. Either party shall have the right to terminate this Agreement immediately upon written notice to the other party: (a) if the other party breaches or fails to perform or observe any material term or condition of this Agreement and such default has not been cured within thirty (30) days after written notice of such default to the other party; or (b) if the other party (i) terminates or suspends its business, (ii) becomes subject to any bankruptcy or insolvency proceeding under Federal or state statute, (iii) becomes insolvent or subject to direct control by a trustee, receiver or similar authority, or (iv) has wound up or liquidated, voluntarily or otherwise.

11.4 Effect of Termination. The rights and obligations of BrightBytes and Customer that should, by their nature or their terms, survive any termination or expiration of this Agreement shall so survive. Upon any termination of this Agreement by BrightBytes for cause or Customer for convenience, all unpaid Fees for the then-current Term (if any) shall become immediately due and payable. Within five (5) days after termination of this Agreement, Customer shall return to BrightBytes or, upon BrightBytes's request, destroy, at Customer's expense, all Confidential Information and materials containing any Confidential Information, including all copies thereof, and deliver to BrightBytes a certification, in writing signed by an officer of Customer, that the Confidential Information, and all copies thereof have been returned or destroyed, and their use discontinued. Nothing contained herein shall limit any other remedies that BrightBytes may have for Customer's default nor relieve Customer of any obligations incurred before termination.

12. Governing Law, Arbitration and Class Action/Jury Trial Waiver

12.1 Governing Law. This Agreement will be governed by and construed in accordance with the laws of the State of California, without regard to its conflict of laws principles. Each party hereby expressly and irrevocably consents to the exclusive jurisdiction of the state and federal courts located in San Francisco County, California in connection with any action to enforce the provisions of this Agreement, to recover damages or other relief under this Agreement, or otherwise arising under or by reason of this Agreement. The parties acknowledge that this Agreement evidences a transaction involving interstate commerce.

Notwithstanding the preceding sentences with respect to the substantive law, any arbitration conducted pursuant to the terms of this Agreement shall be governed by the Federal Arbitration Act (9 U.S.C. §§ 1-16). The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded. You agree that San Francisco County, California is the proper forum for any appeals of an arbitration award or for trial court proceedings in the event that the arbitration provision below is found to be unenforceable.

12.2 Arbitration. Read this section carefully because it requires the parties to arbitrate their disputes and limits the manner in which you can seek relief from BrightBytes. For any dispute with BrightBytes, you agree to first contact us at customerrelations@brightbytes.net (mailto:customerrelations@brightbytes.net) and attempt to resolve the dispute with us informally. In the unlikely event that BrightBytes has not been able to resolve a dispute it has with you after sixty (60) days, we each agree to resolve any claim, dispute, or controversy (excluding any claims for injunctive or other equitable relief as provided below) arising out of or in connection with or relating to these Terms, or the breach or alleged breach thereof (collectively, "Claims"), by binding arbitration by JAMS, under the Optional Expedited Arbitration Procedures then in effect for JAMS, except as provided herein. JAMS may be contacted at www.jamsadr.com. The arbitration will be conducted in San Francisco County, California, unless you and BrightBytes agree otherwise. If you are using the Service for commercial purposes, each party will be responsible for paying any JAMS filing, administrative and arbitrator fees in accordance with JAMS rules, and the award rendered by the arbitrator shall include costs of arbitration, reasonable attorneys' fees and reasonable costs for expert and other witnesses. Any judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction. Nothing in this Section shall be deemed as preventing BrightBytes from seeking injunctive or other equitable relief from the courts as necessary to prevent the actual or threatened infringement, misappropriation, or violation of our data security, intellectual property or other proprietary rights.

12.3 Class Action/ Jury Trial Waiver. You and BrightBytes agree that any arbitration will be limited to the Claims between you and BrightBytes individually. YOU ACKNOWLEDGE AND AGREE THAT YOU AND BRIGHTBYTES ARE EACH WAIVING THE RIGHT TO PARTICIPATE AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS ACTION, COLLECTIVE ACTION OR REPRESENTATIVE PROCEEDING ("Class Action Waiver"). Notwithstanding the foregoing, this Class Action Waiver shall not apply to California Private Attorney General Act Claims brought against BrightBytes to the extent a Class Action Waiver is not legally enforceable as to those claims. Further, unless both you and BrightBytes otherwise agree,

the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of any class or representative proceeding. The arbitrator shall have no authority to consider or resolve any Claim or issue any relief on any basis other than an individual basis. The arbitrator shall have no authority to consider or resolve any Claim or issue any relief on a class, collective, or representative basis.

Notwithstanding any other provision of this Agreement, the Arbitration Agreement or the JAMS rules, disputes regarding the scope, applicability, enforceability, revocability or validity of the Class Action Waiver may be resolved only by a civil court of competent jurisdiction and not by an arbitrator. In any case in which: (a) the Claim is filed as a class, collective, or representative action and (b) there is a final judicial determination that the Class Action Waiver is unenforceable as to any Claims, the class, collective, and/or representative action on such Claims must be litigated in a civil court of competent jurisdiction, but the Class Action Waiver shall be enforced in arbitration on an individual basis as to all other Claims to the fullest extent possible. YOU AGREE AND ACKNOWLEDGE THAT, BY ENTERING INTO THESE TERMS, YOU AND BRIGHTBYTES ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY.

13. General

13.1 Independent Contractors. The relationship between you and BrightBytes under the Agreement is that of independent contractors only. Nothing in this Agreement will be construed so as to constitute a partnership, joint venture, or agency relationship. Neither party will have any power or authority to bind the other in any transaction with a third-party. Unless otherwise expressly agreed by the parties, the services rendered hereunder shall be on a nonexclusive basis and the party rendering them shall be free to accept other engagements at all times.

13.2 Notices. All notices, requests, claims, demands, and other communication under this Agreement may be delivered by any method chosen by the sender that positively establishes legally valid and admissible evidence of actual receipt by the named recipient. The sender shall bear the burden of establishing delivery with respect to the method chosen.

13.3 Integration; Severability. This Agreement sets forth the entire understanding and agreement of the parties with respect to the subject matter hereof and supersedes all other oral or written representations and understandings. If any provision of this Agreement is

determined to be invalid or unenforceable, the remainder shall be enforceable to the maximum extent possible.

13.4 Modifications. BrightBytes may modify this Agreement from time to time at its sole discretion. If BrightBytes makes a material change to this Agreement, BrightBytes will use reasonable efforts to provide you with reasonable notice prior to the change taking effect, which notice may be by email to the email address associated with your account or via a posting on the Service. You can review the most current version of this Agreement at any time by visiting this page and by visiting the most current versions of the other pages that are referenced in the Agreement. The materially revised Agreement will become effective on the date set forth in the notice, and all other changes will become effective upon posting of the change. If you access or use the Service after the effective date, that use will constitute your acceptance of any revised terms or conditions.

13.5 Assignment. Neither party may assign or transfer this Agreement without the prior written consent of the other party, except that BrightBytes may assign this Agreement without consent in connection with a merger, consolidation, restructuring, or sale of all or substantially all of its equity, business, or assets to which this Agreement relates. Any other non-permitted assignment will be void and of no effect. Subject to the foregoing, this Agreement will be binding upon and inure to the benefit of each party and its respective successors and permitted assigns.

13.6 Waiver. Neither the waiver by either party of a breach of or a default under any of the provisions of this Agreement, nor the failure of either party, on one or more occasions, to enforce any of the provisions of this Agreement, or to exercise any right or privilege hereunder will thereafter be construed as a waiver of any subsequent breach or default of a similar nature, or as a waiver of any of such provisions, rights, or privileges hereunder.

13.7 Compliance with Laws. Each party will comply with all federal, state, and local laws, rules, and regulations, as amended from time to time, applicable to such party's performance of its obligations under this Agreement, including all applicable export laws, rules, and regulations of the United States and other applicable jurisdictions, and those related to data privacy.

13.8 Force Majeure. Neither party will be liable for any failure of performance hereunder or for damages caused by any delay or failure to perform hereunder if performance is made impracticable or impossible due to any occurrence beyond its control, including without limitation: acts of God, fires, floods, wars, riots or civil disorders, acts of a public enemy,

sabotage, accidents, enactment or act of any government or governmental instrumentality (whether federal, state, local, or foreign, and whether valid or invalid), failure of technical facilities, and any other occurrence which would have a material adverse impact on a party's ability to perform under this Agreement which is not reasonably within such party's control.

13.9 Exclusion for Official Use. If you are a federal, state, or local government entity in the United States using the Service in your official capacity and legally unable to accept the controlling law, jurisdiction, or venue clauses above, then those clauses do not apply to you. For such U.S. federal government entities, the Agreement and any action related thereto will be governed by the laws of the United States of America (without reference to conflict of laws) and, in the absence of federal law and to the extent permitted under federal law, the laws of the State of California (excluding choice of law).

13.10 Contact. The provider of the Service is BrightBytes, Inc., at the address set forth in Section 9.2. If you are a California resident, in accordance with Cal. Civ.
